Hockey Pucks

Ea. \$27.95

Your clients can commemorate their child's winning (or not-so-winning) season by creating a custom hockey puck with their child's photo on it. Or better yet, they can put their competitor's image on the puck and watch their child's slapshot improve tremendously. Photo is mounted on an actual hockey puck. This is a perfect item to put on display with other sports memorabilia.

(15) Ea. \$23.10

Trading Cards any Sport

One side has a photo, the other side has player information. It's just like the pro cards that you traded as a child. Kids love to be able to hand out their own personalized trading cards to friends. Several different styles from which to choose. Now it's not just the parents that get all the cool gifts

Small 8.5x11 \$16.95 Medium 11x14 \$19.85

Sports Calendar any Sport

A year-at-a-glance calendar to complement a team or individual sports photo is the way to go for any sports parent or fan. Makes a great package with trading cards, sports magazine covers and posters. (Any Type Sport Calendar)

Wearables: Wear them, carry them, tote them.

Shirts, key chains, tote bags— anything that you take with you, they all make great ways of using a photograph. It's a fun way for clients to show off pictures of family and friends in a different way. See what we have to offer:

Office & Home: Decorating made simple.

Since its invention, photography has always been a perfect medium for decorating. Now, with the invention of dye-sublimation and other printing processes, you can have your photos printed on a variety of media, not just a print. Now you won't need a frame in order to put your items up on a shelf. Check out some of what we've got to offer:
